

One Arrest and Charges Brought against Two in Pirate Lab Raid in Rio Grande do Sul

In an anti-piracy operation conducted on Monday, January 26, Santa Vitória do Palmar police officers dismantled a pirate disc laboratory. They seized 2 CPUs, 3 printers, over 2 thousand CDs and DVDs, and numerous burners. One person was arrested in the commission of the crime and two were charged with copyright violation under Article 184.

The operations have not ceased; since the above-mentioned raid, search and seizure warrants have been executed against another 14 locations.

The material seized is awaiting expert analysis
